Econ 487a. Economics of Rules and Governments

Day / time: T 9:25 - 11:50  
Course Type: Undergraduate  
Course term: Fall  
Year: 2018  
Instructor(s): Nicolas Werquin

This course is a senior seminar that explores the optimal design of government policies, centered around taxation, redistribution and social insurance policies. It emphasizes the interplay between economic theory and empirical analysis to make informed policy recommendations.

Prerequisites: Basic and intermediate-level microeconomics (Econ 115 or equivalent, Econ 121 or Econ 125) are the prerequisites for this class. Intermediate macroeconomics (Econ 122 or 126) and introductory econometrics (Econ 117, 131 or 135) are recommended but not required.

Semester offered: Fall  
Undergrad Course Category: Political Economy  
Public  
Course Description: Course Description
