Econ 437b. Economics of Gender

Day / time: M/W 1:00 - 2:15 pm  
Course Type: Undergraduate  
Course term: Spring  
Year: 2018  
Instructor(s): Johanna Rickne

This course is about the economics of gender and has a focus on labor and marriage markets. Students will be given an overview of gender differences in these markets, as well as some potential reasons for those differences. The second part of the course will discuss policies that can affect the gender gaps.

Prerequisites: Intermediate micro economics.

Semester offered: Spring  
Undergrad Course Category: Education  
Political Economy  
Course Description: Course Description
