

Are there computers with statistical software I can use?

Published on Department of Economics (<https://economics.yale.edu>)

Are there computers with statistical software I can use?

Yale ITS provides several community access computers around campus (including 28 Hillhouse) with statistical software such as Mathematica, Matlab, and R. The [Yale StatLab](#) offers more statistical [software packages](#). For a full list of computer lab locations and a campus map, visit the [ITS Computer Labs page](#).
