Professor John Barrios seek a Research Professional for a period of at least one year but ideally two years. The Research Professional works with Professor Barrios to manage field research, including establishing and maintaining relationships with field partners, coordinating data collection and entry, conducting statistical analysis and maintaining databases.

The ideal candidate will have (i) a strong quantitative background, (ii) very strong computer skills including programming, (iii) strong writing skills, (iv) the ability to work independently to solve problems, and (v) a long-term interest in pursuing research in economics and accounting. Background in economics or psychology is a plus, but not necessary—candidates with strong technical backgrounds and writing skills who are looking for more exposure to these topics are welcome to apply.

The preferred start date is July 1, 2019, though other dates may be considered. Applications will be evaluated on a rolling basis, but all applications submitted by March 15, 2019, will be given full consideration.
