

Gender, Competition, and Compensation

Faculty Member: [Ed Vytlačil](#)

~~Directed by Ed Vytlačil, this course is a long-form introduction to the study of labor markets and compensation. It will focus on the relationship between labor market structure and compensation, and how these relationships have changed over time. The course will also cover the role of labor unions in the labor market, and the impact of labor market structure on the distribution of income and wealth.~~
