Announcing Summer Internship at the Economic Research Service (ERS)

The application period for the 2019 Summer Internship Program at the USDA/ERS in Washington, DC is now open, March 22nd to April 5th. We have several positions open for a Student Trainee (Economics). See the ERS website, www.ers.usda.gov for more details.

An excellent opportunity for undergraduate and graduate students to gain valuable research experience by assisting highly-skilled economists and/or social scientists and to work with ERS models and data sets. These positions require individuals with a solid foundation in economic theory and strong quantitative skills; experience with data collection, econometric analysis, database management and/or mathematical programming and models; and good communications skills. Interns participate in a wide variety of research projects involving agriculture and environment, domestic and international markets, agricultural trade policy, food safety, diet and nutrition, consumer economics, rural development, and agricultural finance.

Preferred Qualifications: Economics majors or related fields
Graduate student in economics or related fields

Location: 355 E Street, SW • Washington, DC 20024-3221

Salary: Based on education, approximately starting at $22/hour

You Must Be: U.S. citizen
Currently have been accepted for enrollment or is enrolled in a college or university and will be continuing in the 2019 fall semester

Position Information:
Appointment: Temporary
Job Status: Full-Time
Summer interns may start as early as May 1 and end 89 days from the start date
