How can I host a Zoom meeting from my computer?

Find below links to Zoom resources depending on what you are trying to accomplish with Zoom.

- **Zoom: Quick Guide for Meeting Hosts**
- **How to Configure Scheduling Privileges to a Zoom Account** (helpful in allowing admin assistants the ability to schedule meetings on your behalf)
- **Use Zoom in Canvas to conduct class**
- **How to record your Zoom Session and upload it to Canvas**
- **Avoid Zoom bombbers from trolling your online classes**

**Additional ITS Room Meeting Resources**

- The [Zoom Getting Started with PC and MAC](https://economics.yale.edu/help/how-can-i-host-zoom-meeting-my-computer) guide provides details on getting started and using the tool
- Watch the [Getting Started Videos](https://economics.yale.edu/help/how-can-i-host-zoom-meeting-my-computer)
- Join the [Weekly Zoom Meetings and Webinar Training](https://economics.yale.edu/help/how-can-i-host-zoom-meeting-my-computer)
- [Zoom’s Help Center](https://economics.yale.edu/help/how-can-i-host-zoom-meeting-my-computer) is a great resource for training materials

If you require technical assistance or have a question, please contact your [local support provider](https://economics.yale.edu/help/how-can-i-host-zoom-meeting-my-computer) or the [ITS Help Desk](https://economics.yale.edu/help/how-can-i-host-zoom-meeting-my-computer). Or call 203-432-9000, ITS Help Desk is available 24 hours a day, 7 days a week.
