Econ 477a. Confronting Poverty and Inequality: Insights from South Africa

- **Day / time:** TBA
- **Course Type:** Undergraduate
- **Course term:** Fall
- Not offered
- **Instructor(s):** Francis Wilson

Permission of instructor required

How can South Africa most effectively overcome poverty and inequality? To understand how the economy has been shaped to date, we will dig deep into the roots of South Africa’s history. Will discuss how strategies informed by South Africa’s history can be applied to other currently industrializing economies.

- **Semester offered:** Not offered
- **Undergrad Course Category:** Development
- Poverty
