

Can I count Credit/D/Fail courses for credit towards the major?

Published on Department of Economics (<https://economics.yale.edu>)

Can I count Credit/D/Fail courses for credit towards the major?

No, courses taken Credit/D/Fail may not be counted toward the requirements of the major.

The one exception is that courses taken Credit/D/Fail in **spring 2020** will be counted towards the major as will courses taken Pass/Fail during the same semester.
