Econ 750b. Development Workshop

- **Day / time:** Mon. 2:30-3:50
- **Course Type:** Graduate
- **Course term:** Spring
- **Year:** 2018
- **Location:** Room 106

This workshop is designed as a forum for graduate students and faculty with an interest in international trade and economic problems of developing countries. Faculty, students, and a limited number of outside speakers will discuss research work in progress. Student participants will be encouraged to develop and present a workshop paper in each term. The scope of topics includes: international trade (theory, policy and empirical analysis), agricultural and rural development, industrial development, employment, poverty and income distribution, structural adjustment and macroeconomic stabilization and interaction of international trade and development.

**Semester offered:** Spring
