Research Associates and Research Internships

ECONOMIC RESEARCH
FEDERAL RESERVE BANK OF ST. LOUIS

Hiring Students for Positions Starting in the Spring/Summer 2021

The Research Division at the Federal Reserve Bank of St. Louis is hiring several full-time Research Associates along with Summer Interns.

We invite you to forward this information along to your students.

Research Associate Position

This position is a full-time position to start in the spring/summer of 2021. Interested applicants should expect to graduate in Spring 2021 or Fall 2020.

Applications will be accepted on a rolling basis until all positions are filled. The first round applications are due by October 2nd.

Apply for this position on EconJobMarket

Research Internships

The Federal Reserve Bank of St. Louis has a summer internship program that allows you the opportunity to learn about economics in the United States through the perspective of the Federal Reserve System.

We begin accepting applications for the following summer in September, hold interviews in October and November, and extend offers on a rolling basis.

For questions contact research.internship@stls.frb.org

Interested candidates can find details of both positions at
