The U.S. DOT Volpe Center is now recruiting talented and diverse individuals to fill the following positions as part of its Pathways Internship Program:

- Computer Scientists
- Data Scientists
- Economists
- Engineering Psychologists
- Financial Analysts
- General Engineers
- Human Resource Specialists
- Policy Analysts
- Program Support Assistants
- Operations Research Analysts

Most Pathways positions will begin May 2022. Applications will be accepted through December 1, 2021.
The U.S. DOT Volpe Center is located in Kendall Square in the culturally diverse and academically rich city of Cambridge, benefits and a flexible, family-friendly work environment. For our 2022 Pathways program, location is negotiable.

Learn more here, and apply to be a part of the Pathways Internship Program here.
