

Four Electives

Published on Department of Economics (<https://economics.yale.edu>)

Four Electives

Total courses in the major (including math) must sum to 12. If you place out of an introductory course you must take an additional elective.

Typically you'd need four field (elective) courses (a second econometrics course or econ 159 or above). If you place out of introductory micro (and macro), you'd need five (six).

Course Requirement: Field Courses

Econ, Econ & Math, or CompSci & Econ: Economics
