What are the requirements for admission to the Ph.D. program?

Applicants to the program should submit the Yale Graduate School Application, three (3) letters of recommendation, personal statement, transcripts, GRE score. The TOEFL is required of all applicants whose native language is not English. ~~English is not the native language of the applicant, the TOEFL will be required to be taken.~~ The test should be taken as early as possible to ensure that your scores are received in time to be incorporated in your file. Normally TOEFL scores will not be released if they are older than two years. If you took the TOEFL before and ETS will release those scores then you should not have to retake the examination.
