**Grade Calculation:** The following is a list of possible assignments or activities for the course. For each assignment that applies to you, please describe the assignment (e.g., topic, page length for a paper) and indicate the fraction of the grade the assignment will comprise, as well as the due date or the amount of time per week the student should be spending on the activity. In completing this table, keep in mind that the workload for the course must be equivalent to other Yale courses (i.e. approximately 8-12 hours per week of work).
