Brief Description of the project to be undertaken. (Two or three sentences will suffice).

Midterm Evaluation: The Yale College Course of Study Committee requires instructors to provide students with feedback on their progress by the middle of the term. Please explain how the student will receive mid-term feedback.

Grade Calculation: The following is a list of possible assignments or activities for the course. For each assignment that applies to you, please describe the assignment (eg topic, page length for a paper) and indicate the fraction of the grade the assignment will comprise, as well as the due date or the amount of time per week the student should be spending on the activity. In completing this table, keep in mind that the workload for the course must be equivalent to other Yale courses (ie approximately 8-12 hours per week of work).
